

THE WINNERS FOR THE INFLUENCERS AWARDS MAURITIUS 2024 ARE....

Set amidst a white and golden floral decor in the conservatorium of Royal Green, the fifth edition of the Influencers Awards Mauritius kicked off this Saturday 17th August by the musical notes of the charming violinist Elis Santana. As the nominees immortalised this moment and shared their experience with our Master of Ceremony Maesh Soneea, our invitees gradually arrived.

Indulging in the appetising dishes concocted by the Chef and his team, the invitees were kept in awe by the marveling performances of Mauritian renowned band Anonym.

Anticipation gradually built up as the winners of Influencers Awards Mauritius 2024 were revealed. For the very first time, the juries proclaimed two winners as Most Promising Influencer and rewarded the Special Jury Prize for the third consecutive year.
